EMPLOYEES

Employee accounts are seeded across three cohorts — Atlanta, Dallas, and Phoenix. Sign in to any administrator account and open **Employees** in the sidebar to see the full list with email addresses; each signs in with the same password.

QUICK START

1. **Open the Live URL** above in any modern browser (Chrome, Edge, Safari, Firefox).
2. **Sign in as nancy@bcj.com** with the password above to reach the Administrator dashboard.

3. **Browse modules, questions, and the employee roster** from the left sidebar.
4. **Click the bell icon** in the top-right for in-app notifications.
5. **Change your password** any time from **Settings** → **Profile**.

Security: these are live accounts on the production site. Please change the shared password after your first sign-in, and add or remove people from **Admin** → **Employees**. Treat this document as confidential.
